Product			
Description of Problem			

- Package product securely, preferably in its original packaging
- If sending a die(s) please also include the components used (brass and bullets only)
- If sending a Full Length (FL) or Body die back for headspace/shoulder bump issues please include shellholder and five **fired** cases. New or sized cases will not help troubleshooting.
- Please include sample casts from any moulds returned
- Print and fill out form legibly with as much detail as possible on the problem you are having
- **Do not include live ammunition, powder, primers, or primed cases as they will not be returned and could possibly be illegal to ship**
- **Please utilize a shipping service that provides a tracking number and insurance as we are not responsible for lost or damaged shipments**
- Ship package to:
